

AU-EU Youth Voices Lab - Power of the Collective

A game-changer for youth engagement in Africa and Europe:
The AU-EU Youth Voices Lab App is here!

23 July 2025

The **AU-EU Youth Voices Lab – Power of the Collective**, a four-year programme co-funded by the European Union, is pleased to announce the launch of the **AU-EU Youth Voices Lab App**, a powerful new tool for **youth advocacy, networking, and skills development** across **Africa** and **Europe**. Created by **Youthmakers Hub** in collaboration with the programme's consortium partners, this app is **designed by young people, for young people**, with the mission of co-creating inclusive, youth-responsive societies on both continents.

The **AU-EU Youth Voices Lab App** is a digital hub empowering young people across **Africa** and **Europe** to **connect, learn, and take the lead**. As an all-in-one platform, it allows users to form **meaningful relationships** with peers, youth organizations, and international partners. Over **10,000 young people** are actively involved in **co-creating the app**, contributing to its development through feedback, surveys, and in-app questionnaires. This feature ensures the app evolves in response to its users' needs, making it a truly user-driven platform.

Equipped with **free training courses**, the app also offers **certifications** upon completion, enabling young people to develop **crucial skills** to design and execute impactful activities in their communities. The app serves as a powerful networking hub, **connecting young people**, youth-led organizations, and global partners. With **multilingual support, offline access, and seamless social media integration**, no one is left behind.

Key Features of the App

- **Free access**, with no in-app purchases, and **multilingual with AI-powered tools**
- **Offline** version, **low data** consumption features, and accessibility tools
- **Co-created** with **10,000 young people** thanks to its **feedback** feature
- Curated **learning resources** with certificates
- **Opportunity Desk** and **Networking** features
- Integrated with the most popular **Social media platforms**

The **AU-EU Youth Voices Lab App** is designed to **drive positive community** impact and strengthen **youth-led initiatives** across continents. Available for both **Android** and **iOS**, the app provides young advocates with a platform to develop their skills, amplify their voices, and join a movement for meaningful participation.
